SUNTAN TIPS

This is "sun country". Take it easy on tanning,
or your skin will regret it. Wear a hat and use suntan
products. Even when the sky appears cloudy, the rays
of the Bahamian sun are strong. With a good suntan
product, you will go home with a beautiful bronze tan.

The Family Islands

A necklace of coral islands extending from Walker's Cay to tropical Inagua with its famous flamingoes — these bits of paradise are called the Family Islands. They conjure up scenes of peace and serenity, and of carefree days spent sunning, swimming and fishing. The pace is slow, and the islanders are known for their friendliness. The flowers often are fragrant as well as colourful. The Family Islands are accessible by scheduled and chartered flights, but visitors with more time and a sense of adventure like to book passage by Bahamas mail boat. Fishing tournaments and regattas are highlights of Exuma Cays, Abaco and Long Island entertainment. Each island has an atmosphere all its own.

LAS OTRAS ISLAS

Como un collar de coral, las islas se extienden desde el Cayo de Walter hasta la isla de Inagua, esta última muy famosa por sus flamings. . . Estos pedacitos de paraíso son denominados como Islas de Familia. Cada una de ellas evoca escenas de paz y tranquilidad, de despreocupación y días de sol, ya sea nadando o pescando. El paso del tiempo es un poco lento para los que viven en las islas, caracterizándolos por su cordialidad. Las flores por lo general son fragantes así como también muy pintorescas. Para visitar las demás islas que forman parte de la comunidad, contamos con la accesibilidad de los vuelos programados y también aquellos alquilados, pero para los turistas o personas con mas tiempo disponible y sentido de la aventura, existen también barcos que llevan la correspondencia y viveres a las demás islas. Torneos de pesca y competencias de regata son más destacadas por su diversión en los Cayos de Exuma, Abaco y Long Island. En sí, cada isla tiene y goza de una atmósfera propia.

DIE FAMILIEN INSELN

Eine Kette von Koralleninseln, die sich von 'Walker's Cay' bis zur tropischen, für ihre Flamingos berühmte Insel 'Inagua' erstreckt — diese kleinen Stücke Paradies sind unter dem Namen 'Family Islands' bekannt. Sie rufen Szenen von Ruhe und Frieden, von sorgenfreien mit Sonnenbaden, Schwimmen und Fischen verbrachten Tagen hervor. Das Tempo ist langsam, und die Inselbewohner sind bekannt für ihre Freundlichkeit. Die Blumen duften oft ebenso herrlich wie sie farbenfroh sind. Die 'Family Islands' sind mit Linien- und Charterflügen erreichbar, doch ziehen es Besucher mit mehr Zeit und einem Sinn für Abenteuer oft vor, die Reise per Bahamas Postboot zu buchen. Fischfang-Turniere und Regattas sind Unterhaltungshöhepunkte in den 'Exuma Cays', 'Abaco' und 'Long Island'. Jede Insel hat ihre einzigartige Atmosphäre.

New Providence

A world-class resort, Nassau is the glittering Bahamian capital on the sunny north shore of New Providence Island. A few miles west of Nassau is a fabulous Platinum Coast of splashy hotels, a casino, gourmet restaurants, elegant homes, first-class guest facilities, windsurfing and all other sea-oriented sports. A toll bridge connects New Providence with world-famous Paradise Island, a Garden of Eden with casino and Broadway/Vegas-type entertainment. Nassau is the commercial centre of the islands as well as the seat of government. All traffic moves to the left, as befits a country of British ancestry and a member of the Commonwealth of Nations. Her Majesty, Queen Elizabeth II, is Queen of The Bahamas, as well as England.

NUEVA PROVIDENCIA

Nassau es uno de los mejores y más frecuentados lugares del mundo, es la capital de Bahamas siempre tan resplandeciente por su sol dorado, está situada al norte de la isla denominada Nueva Providencia. A unas cuantas millas del oeste de Nassau se encuentra la fabulosa costa platinada de llamativos hoteles, casino, restaurantes del buen paladar, residencias elegantes, casas de huéspedes de primera clase, patinaje sobre las olas y otros deportes propios del mar. Un puente de peaje conecta la isla de Nueva Providencia con un mundo fabuloso como es la Isla del Paraíso. Es como un jardín del Edén, con casino y espectáculos semejantes o mejores que los de Broadway / Vegas. Nassau es el centro comercial de las islas así como también la sede del gobierno de las Bahamas. Todo el tráfico circula por el lado izquierdo como corresponde a un país de origen británico y como miembro de la Comunidad de Naciones. Su Majestad, la Reina Isabel II, es la cabeza del país como lo es de Inglaterra.

NEW PROVIDENCE

Ein Touristenzentrum von Weltklasse, Nassau ist die glänzende Hauptstadt am sonnigen Nordufer der Insel 'New Providence'. Einige Meilen westlich von Nassau befindet sich eine fabelhafte Platinaküste mit luxuriösen Hotels, einem Kasino, Gourmetrestaurants, eleganten Wohnhäusern, erstklassigen Gästegelegenheiten, Windsurfing und allen übrigen Wassersportarten. Eine Zollbrücke verbindet 'New Providence' mit der weltberühmten Paradies-Insel (Paradise Island), ein Garten von Eden mit Kasino und Broadway/Vegas-Stil Unterhaltung. Nassau ist das Handelszentrum der Inseln wie auch der Sitz der Regierung. Auf den Strassen herrscht Linksverkehr, wie man es von einem Land mit britischer Vergangenheit und einem Mitglied des 'Commonwealth' erwartet. Ihre Majestät, Königin Elizabeth II, ist Königin der Bahamas wie auch von England.
